

# Co-branded Marketing Materials Request

We are happy to provide co-branded marketing materials upon request. Once you have submitted the following information along with your logo (preferably in .png, .ai, or .eps format, but will accept .jpg or other formats), we will send you digital copies of your co-branded materials a few days later.

## How would you like your company information to appear on the collateral?

Check the box next to the item to indicate you want that information included. If you leave the box blank, we won't include that information. Include as little or as much contact info as you desire.
