Credit Card Authorization and Payment Terms

Resellers hereby agree to pay Synel Americas using a credit card which Synel Americas accepts all amounts due for any charges incurred. Synel Americas will automatically charge the Reseller's credit card immediately prior to the shipment of the product, if applicable, or prior to services being rendered, if applicable. In the event Synel Americas cannot charge the account, Synel Americas reserves the right to suspend or terminate the Reseller's shipment of product or commencement of services.

For purposes of identification and billing, the Reseller agrees to provide Synel Americas with accurate, complete, and updated information including legal name, address, telephone number(s) and applicable payment data (e.g., credit card number and expiration date). Failure to comply with the provision may, at Synel Americas' option, result in suspension or termination of the shipment of product or commencement of services.

This authorization is to remain in full force and effect until Synel Americas has received written notice to cease using the credit card.
